

By-law changes to the Constitution approved by Executive Council on May 2, 2022 meeting.

## By-Laws

**Article III** under Executive Committee Members

Chapter rules Interpreter:

**Current:**

b) Plan and Instruct the Cadet Class

**Change: Plan and organize Cadet class**

**Rationale:** This change means that the chapter rules interpreter has the responsibility of planning and organizing the cadet class but not necessarily instructing it. As written now the interpreter must instruct cadet class

**Current**

## **ARTICLE X AMENDMENTS**

These Bylaws may be altered, amended, repealed or added to by an affirmative vote of not less than fifteen (15) percent of the members present

**Change: Remove Article X**

**Rationale:** This gives the Executive Council a right to make changes to the by-laws without need of the vote association membership. This is done in most sports associations throughout the state.
