Dear Robert,

We are pleased to inform you that you have been selected as the NFHS Officials Association's **National Active Official for 2023-24**. You were nominated by your state association for excellent service as an official and for exemplifying the highest standards of ethical conduct and moral character.

You were selected by a national committee to receive this award, based on your exemplary sportsmanship, service, ethical conduct and moral character within the avocation of officiating. This is indeed a high honor, especially when you consider that you have been selected from nominees throughout the country.

You will be recognized on the NFHS Web site (nfhs.org) and a certificate of achievement will be sent to your state association and presented to you by them. In addition, we will be sending an email to you with information about ordering a ring or a pendant as a gift from the NFHS to you for receiving this honor.

Again, congratulations on this prestigious honor and thank you for your contributions to the high school student-athletes throughout the country.

Sincerely,

Dr. Karissa L. Niehoff
Chief Executive Officer
