About The NJSIAA

The New Jersey State Interscholastic Athletic Association, founded in 1918, is a voluntary, non-profit organization made up of 435 accredited public, private and parochial high schools in the state. The New Jersey Association joining with the other forty nine State Associations constitutes the National Federation of State High School Associations which has represented the best interests of high school athletics since 1920, and today represents 22,000 schools, more than 330,000 coaches, and almost 4.5 million high school athletes.

The NJSIAA is headed by a governing body known as the Executive Committee. Individuals serving on this committee represent public, parochial and private secondary institutions, the Education Committee of the New Jersey State Legislature, the New Jersey School Boards Association, the New Jersey Association of School Administrators, the New Jersey Association of Secondary School Principals, the New Jersey Council of Catholic Diocesan Superintendents, the New Jersey Scholastic Coaches Association, the New Jersey State Officials, the Directors of Athletics Association of New Jersey, and the New Jersey Association of Independent Schools.

The daily administration is carried out by the Executive Director, Mrs. Colleen Maguire, the Chief Operating Officer, Mr. Tony Maselli, the Chief Compliance Officer, Mr. Paul Popadiuk, the Assistant Directors, Mr. Al Stumpf and Mr. Derryk Sellers, and Mrs. Sandra Mamary, the Part-Time Assistant Director and the staff of the NJSIAA headquarters, which is located on Route 130 North in Robbinsville, New Jersey.

The Association, through the Executive Committee, sets forth the rules and regulations governing high school athletics in order to equalize competition for member schools. The NJSIAA conducts tournaments, and crowns champions in thirty two sports. Championship competition for girls is sponsored in basketball, bowling, cross country, fencing, field hockey, golf, gymnastics, lacrosse, soccer, softball, swimming, tennis, track-indoor, track-outdoor, and volleyball.

Boys Championships are determined in baseball, basketball, bowling, cross country, fencing, football, golf, ice hockey, lacrosse, soccer, swimming, tennis, track-indoor, track-outdoor, volleyball and wrestling.
